Mayor Doss "I just got off the phone with Brad and he couldn't find the list he has got but he said he will get it to Amanda tomorrow even if he has to contact the one he got it from before, and he apologized for any inconvenience. I know Amanda has and I will use the word googled these hundred questions here but setting here tonight and looking thru and picking them out I don't think will give the candidates a fair shake if we just randomly go thru and pick these out. So I'm suggesting we meet again next week on this issue. So I'm just open for discussion on that."

Commissioner Beene "Why don't we take this list, each of us pick out ten or twenty of them and then combine them with what Brad sends. I know Brad has a good list because I have used it in the past."

Mayor Doss "Again I haven't looked at this intensely but his may go right along with the position that we are looking for, city recorder. You do have some good questions on here and I don't know how many questions we are looking to ask the candidate. I know in the past when we interviewed for driver for sanitation we got off on rabbit trail a few times with one of candidates and I would like for us to focus and if they want to try and get us off redirect them and get back on issue at hand. I think we need to get Brads list and come back one day next week to get this and also set a date at that time for the interviews a few more days is not going to kill us."

A motion to get Brads list and come back one day next week to get this and also set a date at that time for the interviews was made by Mayor Doss; 2<sup>nd</sup> by Commissioner May. Motion carried 4-0.

Mayor Doss "This is not on agenda but I am going to bring it up; the Whitfield lady that has applied for the job is Mike Miles aunt, now when I first heard that I'm thinking Mike is just a volunteer here he is not employed here so I need verification probably from our attorney to see whether or not a volunteer whether it's on the library board, the park board or a fireman is under that umbrella of being considered kin folk. I'll go ahead and do the leg work then I'll send out an email of what our attorney advises us on that one. With no other business I make the motion we adjourn."

Commissioner Beene "Mayor may I interject something?"

Mayor Doss "Yes."

Commissioner Beene "I think when we met again and it's a regular meeting we need to put the police department on agenda for discussion."

Mayor Doss "Okay can you elaborate?"

Commissioner Beene "No I will then though, I'll be glad to elaborate then."

Municipal Clerk Amanda Sulcer "So do you want it just to say police department and then you will take over?"

Commissioner Beene "I won't take over but I'll put my two cents worth in."

Municipal Clerk Sulcer "Okay."

Commissioner Beene "I'm not trying to take over but just trying to interject some information."

Mayor Doss "Okay there's a motion on the table."

A motion to adjourn was made by Mayor Doss; 2<sup>nd</sup> by Vice Mayor Reel. Motion carried 4-0.
